

Parish Council update: May 2025

We have a fabulous week planned from Saturday 19th July to Saturday 26th July, dust off those glad rags and get ready to party.

In the meantime, we have had a bingo fundraiser which as a community we have managed to raise £564.50. We have also had a big breakfast and are delighted with the money raised. We have new committee members bringing fresh ideas and we look forward to bringing you many more carnivals in the coming years.

We look forward to the local community coming together to celebrate the amazing 8 days of carnival.

See you all there
