

Delabole Skatepark Committee

Report for the last 12 months:

April 2025

Current balance £14991.05

Balance includes the following donations which will need to be checked for change of use if plans change going forward.

£1000 - Delabole Slate Quarry

£3897.01 + £2,531.99 - Coop community

Current Quote from Forte Trailscapes dated 05/02/25- £51k +VAT

We haven't done any additional fundraising as we wait to see if this option will be viable.

Over the last 12 months the Parish Council have applied for 2 grants from Cornwall council which would have included funding for towards our project. Both have been unsuccessful.

We are currently waiting for Forte trailscapes to confirm whether they would be able to provide a usable/worthwhile pump track for less than the current quote.

If the Parish Council could honour the £25k pledge and Kye is able to provide a Asphalt Skate Track for £40k as now requested then that would be the only circumstance in which we would be able to proceed.

Thanks

Zoe and Jo
