

Delabole Methodist Church

Our regular Church Activities include Sunday Worship and Monthly Community Lunches, Coffee Mornings and Cake and Craft afternoons. Full details are published in the Slate Magazine.

The buildings are also used by various activity groups and for Village events.

We are nearing completion of the first phase of our refurbishment programme, with just a few outstanding jobs. This has involved the Slate Cladding of one wall, and re-plastering and painting of two walls in the Chapel which has improved it internally.

Yours,

Bryan Ede
