

## Ash Die Back King George V playing Fields

COMPANY A	<p>Company A visited playing fields with contractor. Explained that there were 3 infected trees that required felling. Have requested an alternative quote of 5 since speaking to other contractors.</p> <p><b>*AWAITING QUOTE*</b></p>
COMPANY B	<p>Met with Clerk at Delabole Playing fields.</p> <p><i>“It was good to meet you today about the trees at delabole playing field. We counted 5 ash trees that will need removing to ground height We will remove all waste from site for your convenience and for public safety we will sign and cone the areas which we will be working on and we will also do a risk assessment aswell.”</i></p> <p>Quote £580 no VAT</p>
COMPANY C	<p><i>Visited site unaccompanied.</i></p> <p><i>“I managed to slip out this morning and have a quick look, you guys seem to have been hit pretty hard with dieback; depending on what you would like me to do, I can provide a few quotes:</i></p> <ul style="list-style-type: none"> <li><i>●If you would just like me to remove the dead trees, including total waste removal (From my count there is about 6) I would quote a price of <b>£280.00</b>.</i></li> <li><i>●To remove dead trees, clean the deadwood from the remaining ashes affected and removing all waste produced I would quote a price of <b>£500.00</b></i></li> <li><i>●To remove all affected trees, (All except one large corner tree) including waste removal, I would quote a price of <b>£900.00”</b></i></li> </ul>
<p>Quotes could be less if removal of wood is not required.</p>
