

Precept - working group proposal

Budgeted amount (from list) - £55,154.00

Budgeted income (from list) - £7,121.90

Taking into account reserves and predicted income, the working group recommended a precept of £48,000.

This equates to a 11% increase on last year's amount.

Band D last year paid £69.70 a month and with the increase it would be £77.88.

The increase includes the contract for grass cutting, of which the council can claim back VAT, and sorting things that have not been done in the past.
