

Skatepark committee

April 2024

Current balance £14991.05

Parish pledge - £30k

Balance includes the following donations which will need to be checked for change of use:

£1,000 - Delabole Slate Quarry

£3,897.01 + £2,531.99 - Coop community fund

Although we both wanted to step down this time last year, we were unable to find anyone to take over the committee. We decided to have one last go and are looking into pump tracks as a cheaper alternative.

Quote from Forte Trailscapes dated 07/03/24 - £49,000 to £55,000 +VAT

We haven't done any additional fundraising as we wait to see if this option will be viable.

We wait to hear if the Parish council has been able to secure additional funding through a grant application they have made. If this is unsuccessful we hope that the council will be able to honour their pledge and help us to go ahead with the Forte quote.
